Thomas G. Mahnken 105 Comment Competitive Strategies for the st Century Theory History and Practice The U S today faces the most complex and challenging security environment in recent memory even as it deals with growing constraints on its ability to respond to threats Its most consequential challen

Competitive Strategies for the 21st Century: Theory ...

Thus, the time is right for the U.S. to adopt a long-term strategy for dealing with China; one that includes but is not limited to military means, and that fully includes U.S. allies in the region. This book uses the theory and practice of peacetime great-power strategic competition to derive recommendations for just such a strategy.

Competitive Strategies for the 21st Century: Theory ...
