

Conspiracy To Murder The Rwanda

Conspiracy to Murder is a gripping account of the most appalling event of the late 20th century: the Rwandan genocide of 1994. Linda Melvern's damning indictment of almost all the key figures and institutions involved only serves to sharpen the horror of a tragedy that could have been avoided. Fully updated, this new edition includes an in-depth account of the genocide trials at the International Criminal Tribunal.

"The author has had exclusive access to a wealth of fresh sources, including an extraordinary collection of documents abandoned by the conspirators when they fled Rwanda and a full confession from the prime minister in the government that presided over the genocide. Written especially for the tenth anniversary year, Conspiracy to Murder is a shocking indictment of those who knew what was happening and chose not to intervene. It makes the case for an urgent, enquiry into the scandalous ...

Book Review - Conspiracy to Murder: The Rwandan Genocide

The Rwandan genocide of the spring and summer of 1994 has spawned a rich and growing literature. This account, focused mostly on events on the ground, offers little new information about the international context and, unfortunately, covers only the first chapter of these grim events, ending with the
